Your ability to make every student feel worthy of praise adds to your many charitable qualities. Northwest's dramatic productions were made possible through your unending patience and counseling. We have grown to love, admire, and respect you through your years of teaching at Northwest Cabarrus. It is because of this, that we take great pleasure in dedicating to you the 1971 **Dynamis**.

WE ARE ONE; YET,

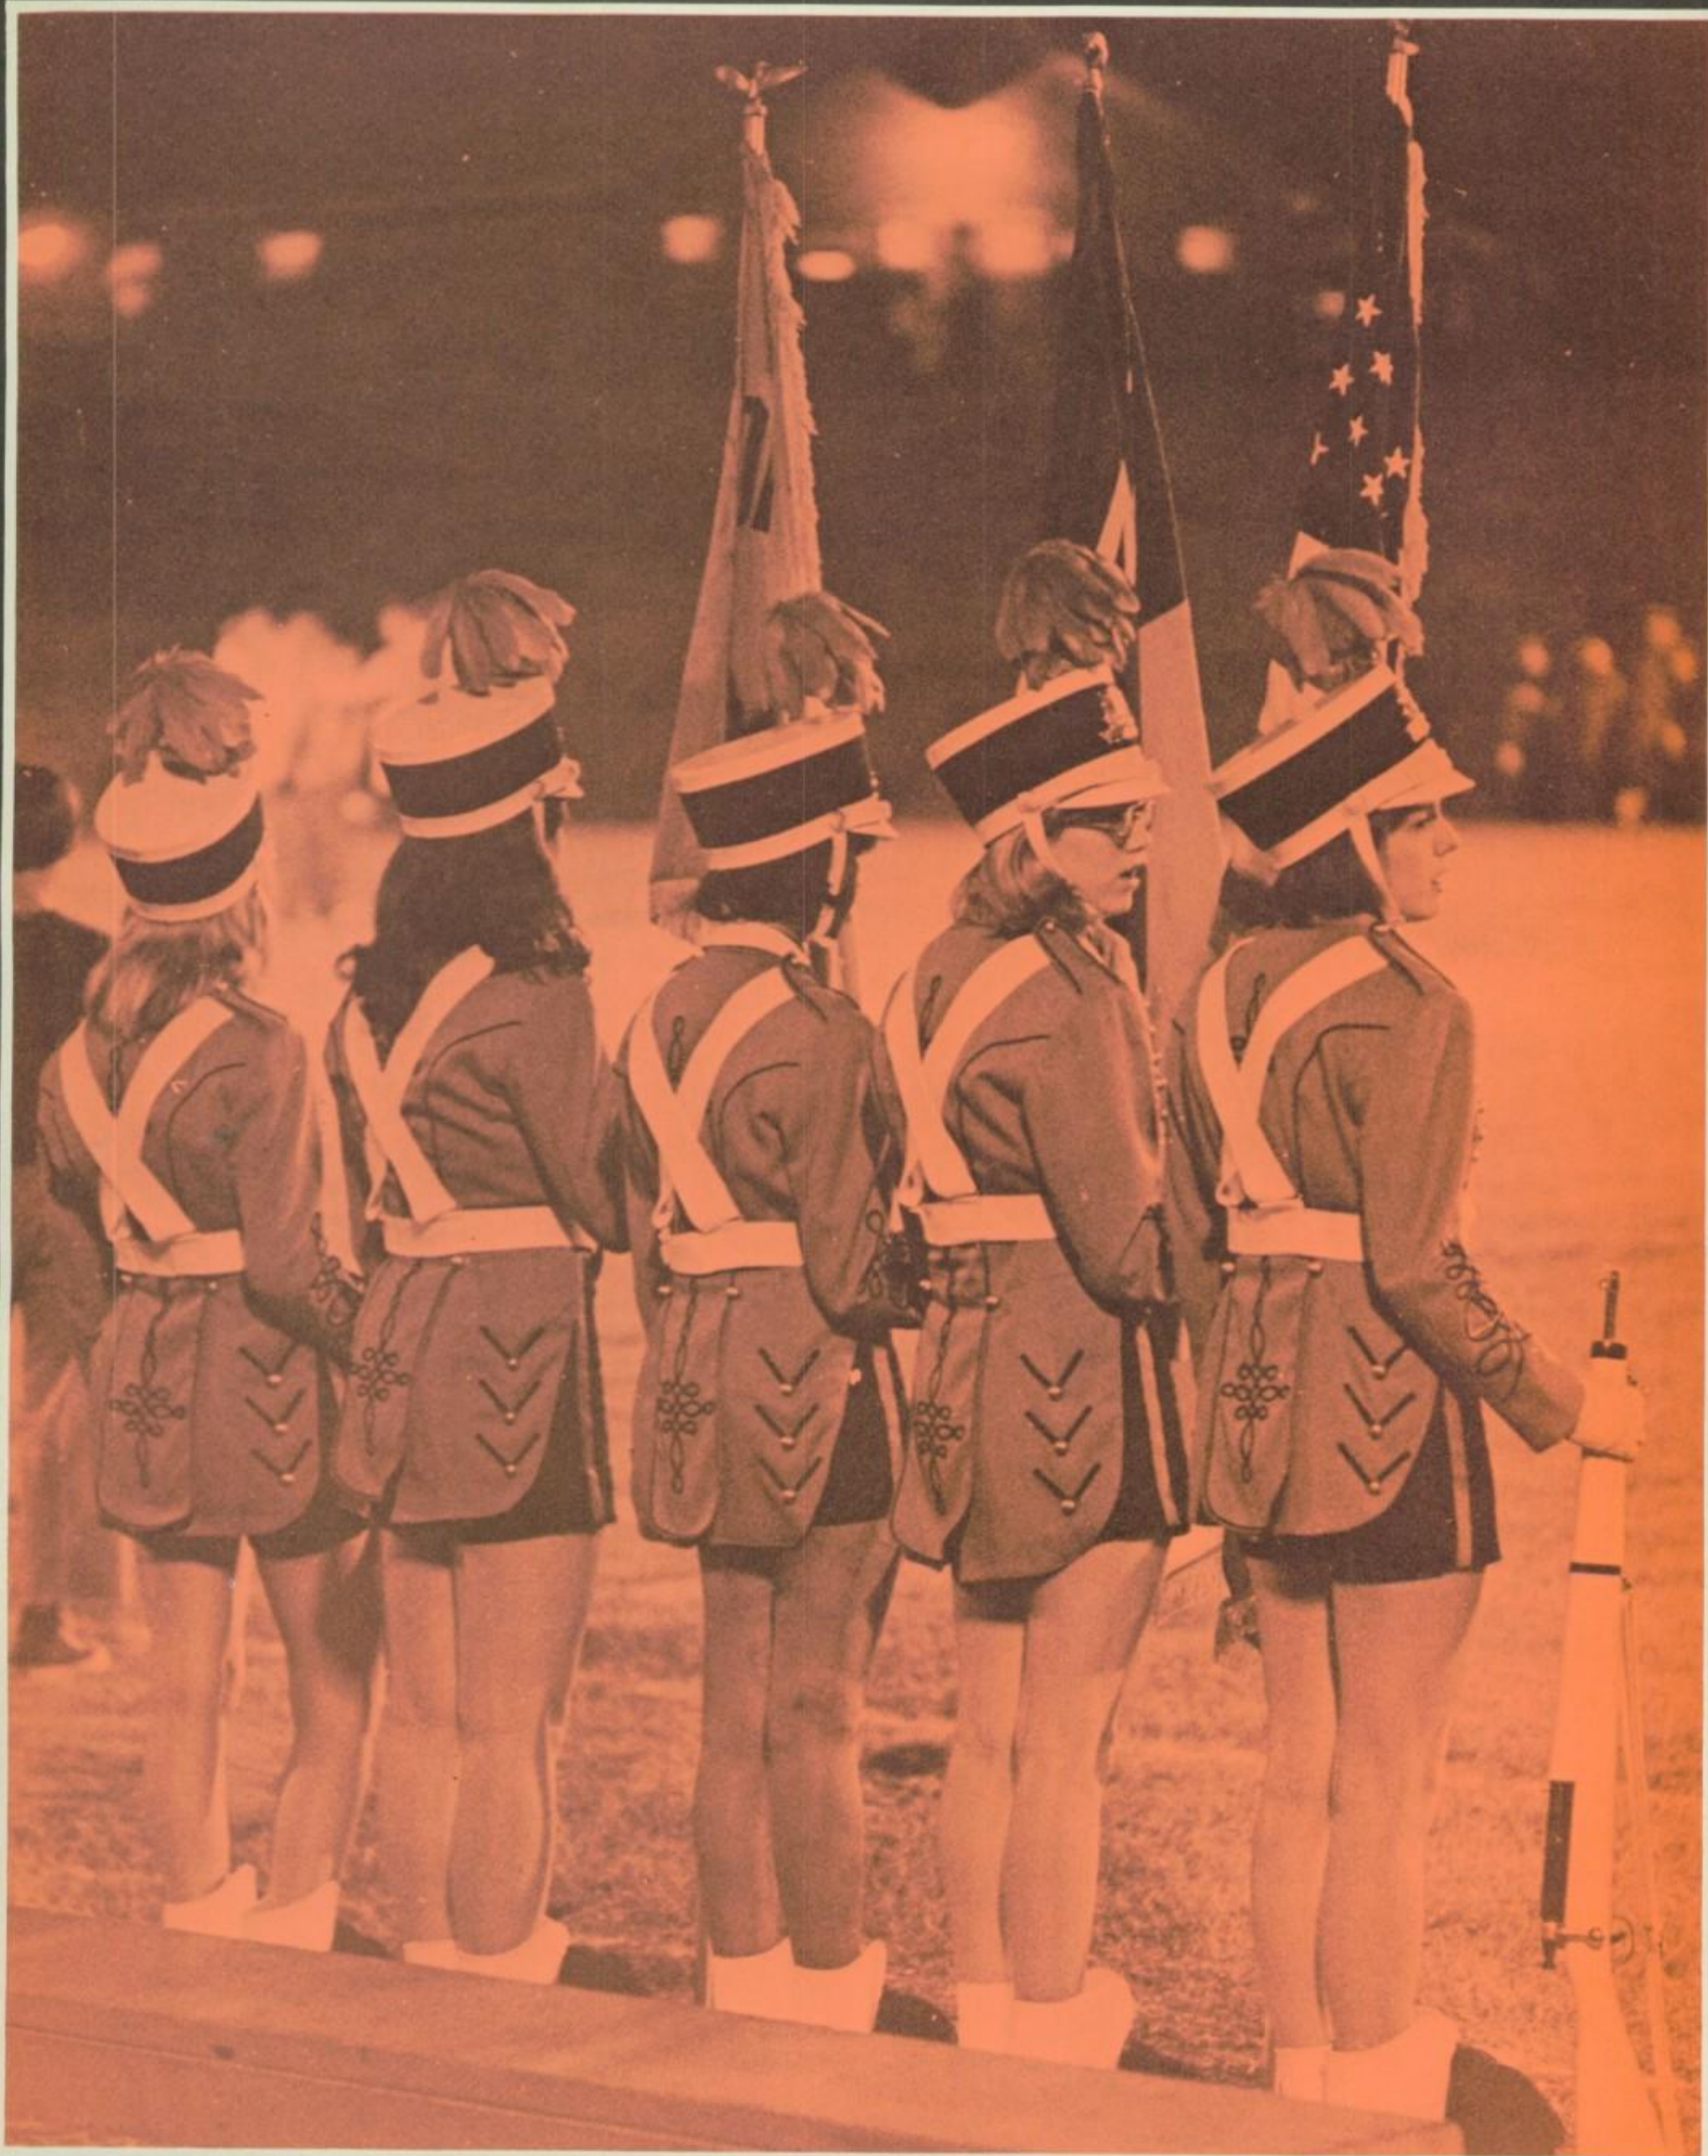

WE ARE MANY

We, the student body of Northwest Cabarrus High School, have acted as one to transform the 1970-71 school year into what we have made it. We have proudly displayed our unity through our combined efforts in club activities, special projects, and participation in and support of our athletics. Limitless endurance, desire, and determination in our joint endeavors for ourselves and our school have brought about seemingly impossible goals. Through our many accomplishments and victories, as well as our setbacks and defeats, we have upheld our alma mater with both dignity and pride.

Although we, together, have molded Northwest, we have expressed our individuality by responding to her in our own special ways. We were capable of making this school year signify whatever we wished. Along with our united efforts towards success, we have also strived for individual recognition through our participation in academic studies, athletic encounters, school pageants and elections.

We are many, each having his own distinguishing traits, desires, and ambitions; yet, we are still one, defending Northwest, our common cause, and struggling for her purpose.

NW'S FIRST FULL-TIME EXCHANGE STUDENT —

Northwest had its first full-time exchange student this year. Maria Chiriboga arrived in the United States on September 14, 1970. Maria, an exchange student of the International Fellowship, came from Quito, Ecuador.

Maria became a welcomed addition to Northwest. She first resided with Mr. and Mrs. Veron Smith. Mrs. Smith, guidance counselor at Northwest, was able to advise Maria on the subjects she needed to take, and to help her cope with problems she had in understanding the American way of life.

Two Northwest juniors were also fortunate in having Maria as their "little Spanish sister." Myra Faust, daughter of Mr. and Mrs. C. M. Faust, and Karen

Beaver, daughter of Mr. and Mrs. Don Beaver, both received a better knowledge of South American life through this experience.

Maria strove to learn more about America and to better understand the English language. On June 15, Maria leaves for her return to Ecuador. The memory of Maria will live forever in the hearts of Northwest students.

Linda Smith aids Maria in understanding one of her many courses at Northwest.

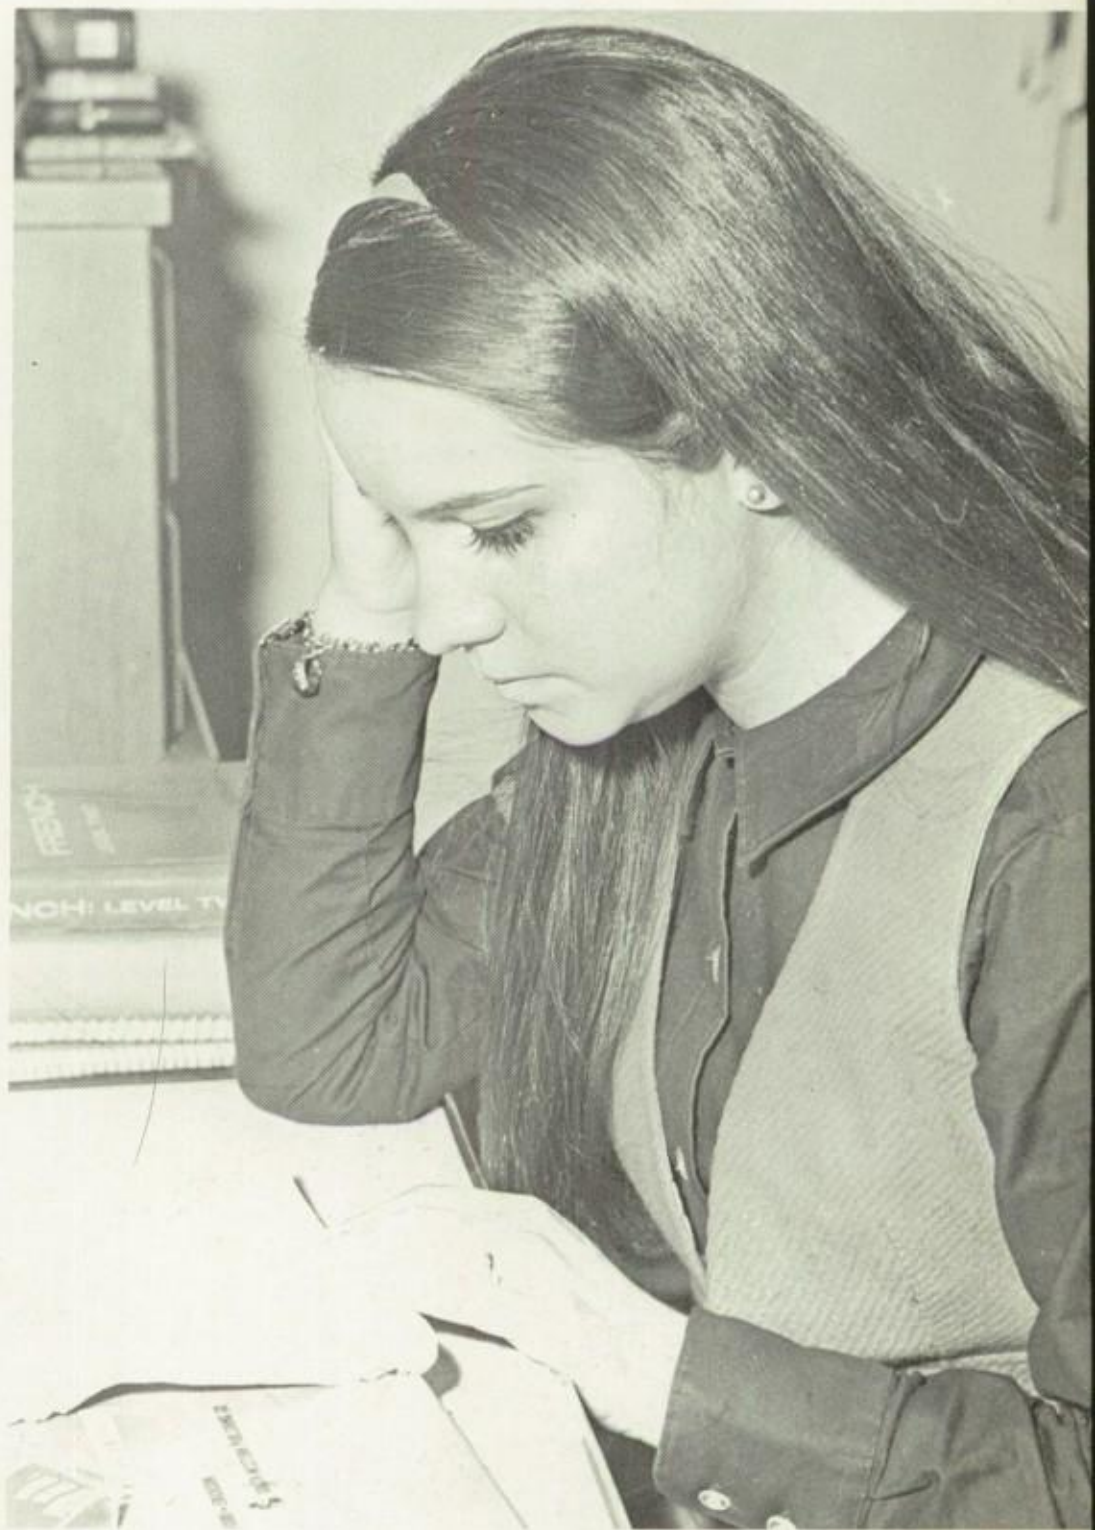

Mrs. Beaver and daughter Scarlet chat with Maria during the Homecoming Dance.

Maria poses with Karen, Donna and Cheryl Beaver at their home.

MARIA MOUSERRATE CHIRIBOGA

Maria affectionately holds Maria Faust, as mother Mrs. Faust and Myra are onlookers.

Maria finds her Spanish book a great help in learning to understand the English language.

Mr. Garmon receives a flag from Maria as members of the Student Council smile with pride.

She was also active in the Beta Club & F. T. A. Club.

MR. GARMON TOURS RUSSIAN SCHOOL SYSTEM

Mr. Garmon stands in front of St. Basil's Cathedral at Red Square in Moscow, U.S.S.R.

Mr. Robert Garmon was chosen in 1970 by the National Association of Secondary Education to take a guided tour of public secondary schools in Russia, Hungary, and Yugoslavia. He left Charlotte for New York and then was flown into the heart of Russia along with other secondary principals from throughout the United States.

Mr. Garmon visited many schools including those of Leningrad and Moscow. He found their school system far below the quality of those in America. Their discipline is much stricter and freedom of any kind does not exist. Uniforms are worn by girls and boys daily.

After school hours the men toured places of interest in the city, including the Red Square and many older mosques and public squares. There are some Buddhists in Yugoslavia but schools or religious freedom does not compare with that of the U.S. The men were glad of their safe return to their own country.

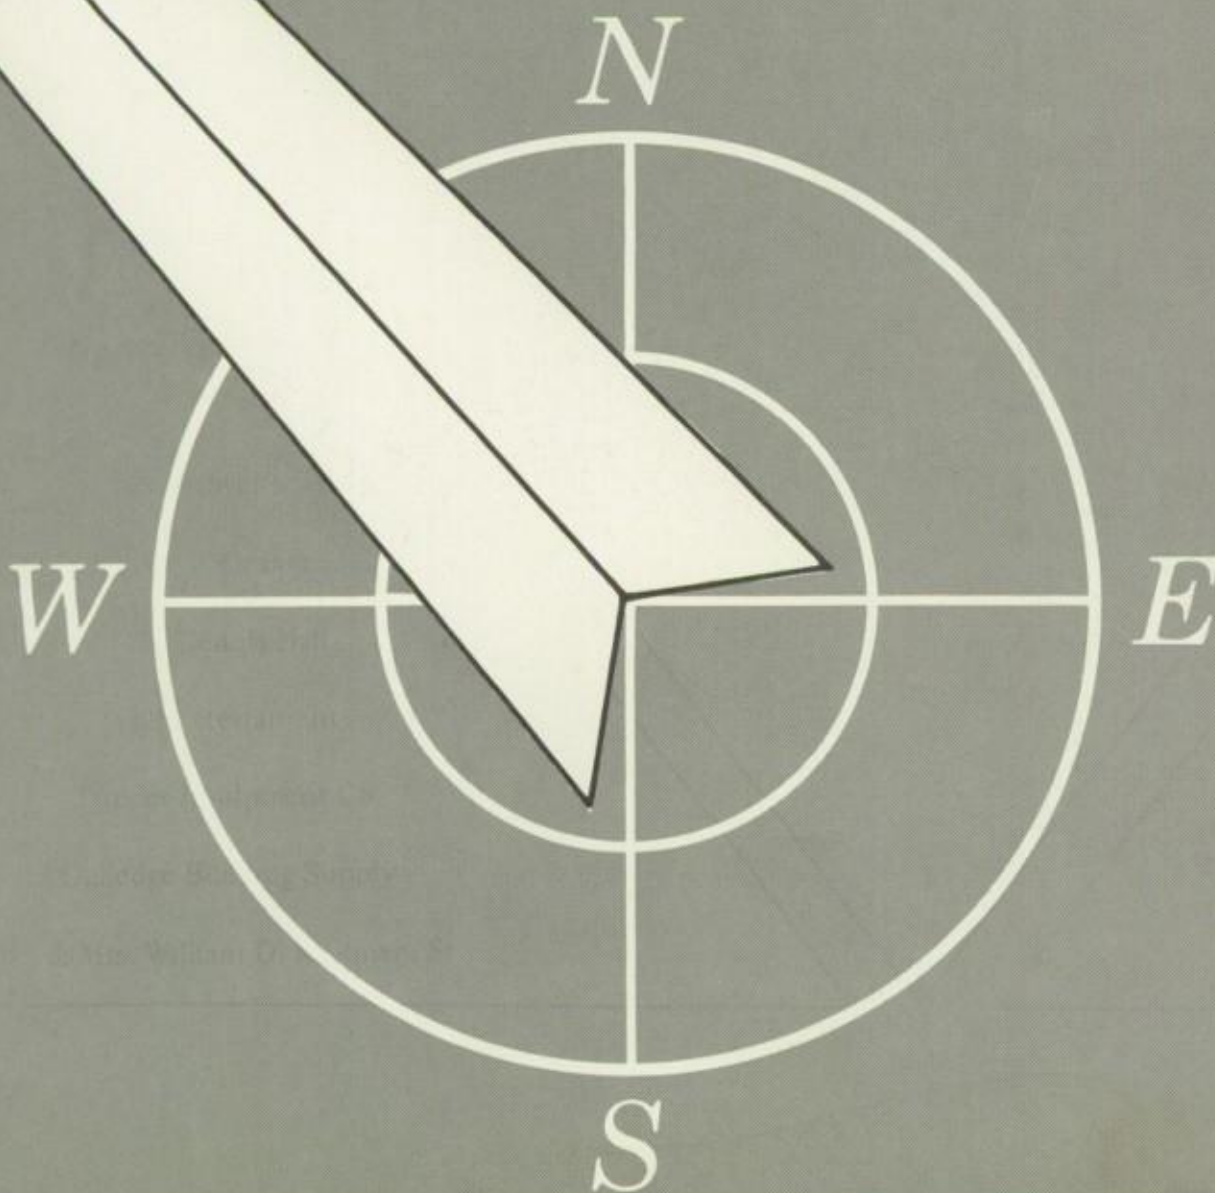

CLASSES

Each separate individual of Northwest is allowed to express himself through classroom experiences. All types of personalities are stimulated and developed by this daily schedule. Each student, whether exceptionally gifted, mediocre, or below average, is given the opportunity to broaden his mind, share his own opinions,

develop new ideas, and reach conclusions based on his personal deductions. Through this diligent individual study, we, together, also search for a common answer to mankind's many intriguing problems.

Classrooms provide students with the incentive to expand their realms of knowledge; yet, it is still up to each individual to give a personal meaning to all their endeavors. This special mixture of varying personalities makes class activities worthwhile and memorable experiences.

SENIORS 1971

Seniors Pam Safrit and Barry Troutman model the latest fashions in the FHA fashion show.

The time has come — we have become Seniors. The reality of soon being on our own frightens and appalls us. The seemingly endless days at Northwest have abruptly come to a halt, and we realize that we must leave our alma mater.

There are so many memories: our Freshman semi-formal, the Sophomore cook-out, and our own Junior-Senior. We will always remember our roles in club membership and sports, our first encounter with the PSAT, and then the SAT, and most memorable, the arrival of our class rings.

The future now lies ahead of us — ours to make, however we may choose. The memories of Northwest linger with us but we must not tarry too long with them, for time is of the essence and today is soon to be tomorrow. Northwest has given us the background for our tomorrow. She has shaped our personalities and given us a choice for our future. We must store our fondest memories and recollections of Northwest within our hearts and prepare ourselves to start anew.

CLASS OF 1972

New and exciting experiences accompany the role of all Juniors. For the first time, they were allowed to voice their opinion in the selection of Miss Merry Christmas. Amid the tension and pressure of SAT and Beta Club Induction, Juniors were still able to attack their magazine sales with vigor and enthusiasm. They expressed their originality and creativity by presenting their own ideas in the form of the Junior-Senior.

While striving for the betterment of Northwest as a whole, the Juniors grew both in knowledge and understanding. They had become upperclassmen — soon to be Seniors.

As the year drew to a close, the unforgettable words, "Rise Seniors", were spoken. They were no longer followers; they had become the leaders of Northwest.

Added responsibilities, new challenges, and a new sense of belonging are characteristic of all sophomores. They have attained a new-found feeling of seniority. Although they are not the "top brass", they are no longer the "underdog". They have become a more vital part of the Northwest family.

Sophomores have shown exuberant enthusiasm as they tackled Biology, Geometry, French, and other elective courses. They have developed a greater

interest in Northwest, as displayed by their participation in varsity and J.V. sports as well as in club activities.

They have begun to acquire the maturity needed for leadership. During their first two years at Northwest, they have benefited from their many experiences. They must now prepare themselves to accept the roles of upperclassmen.

Hard working Freshmen learn to appreciate their lunch period.

CLASS OF 1974

Freshmen, yearning to begin the long, wearisome journey on the road to adulthood, and yet retreating into a world of adolescence, encounter Northwest. Through all this confusion and chaos, Northwest freshmen have become an essential part of "Trojanland." New friends were made, new challenges were met, and eventually acceptance was granted.

After the turmoil of the first few weeks of school, the freshmen were oriented to the Northwest environment, and they were ready to make a place for themselves. Throughout the year freshmen eagerness and school spirit were exemplified by their avid support of athletics and other school functions.

They have earned the respect of their fellow students in return for their interest and pride in Northwest. They have found their place. Northwest will be what they make of it.

A basic fundamental of Freshmen orientation at Northwest is note-taking.

ORGANIZATIONS

Unity within Northwest is proudly displayed through the many club activities. Individualism is also highlighted by organizations as each student is allowed to express his special abilities such as intellectual capabilities in Beta, Math, Science, and French Clubs; creative endeavors in Art Club, band, and chorus; and mechanical skills and handwork in Masonry and Electronics Clubs.

While striving to improve our own abilities, we also select certain club members to serve as our leaders and to guide club activities. Each member, officer, and supervisor is a vital element in the molding of Northwest's 1970-71 school year. Through the many club activities, students develop new interests and become more intricate parts of school life. The inevitable reward is received by new friendships and a feeling of self-satisfaction and pride.

Northwest Cabarrus Student Council

Under the leadership of first year advisor, Glenn Wall, and president, Jan Shores, this year's Student Council was one of the most active in the school's history.

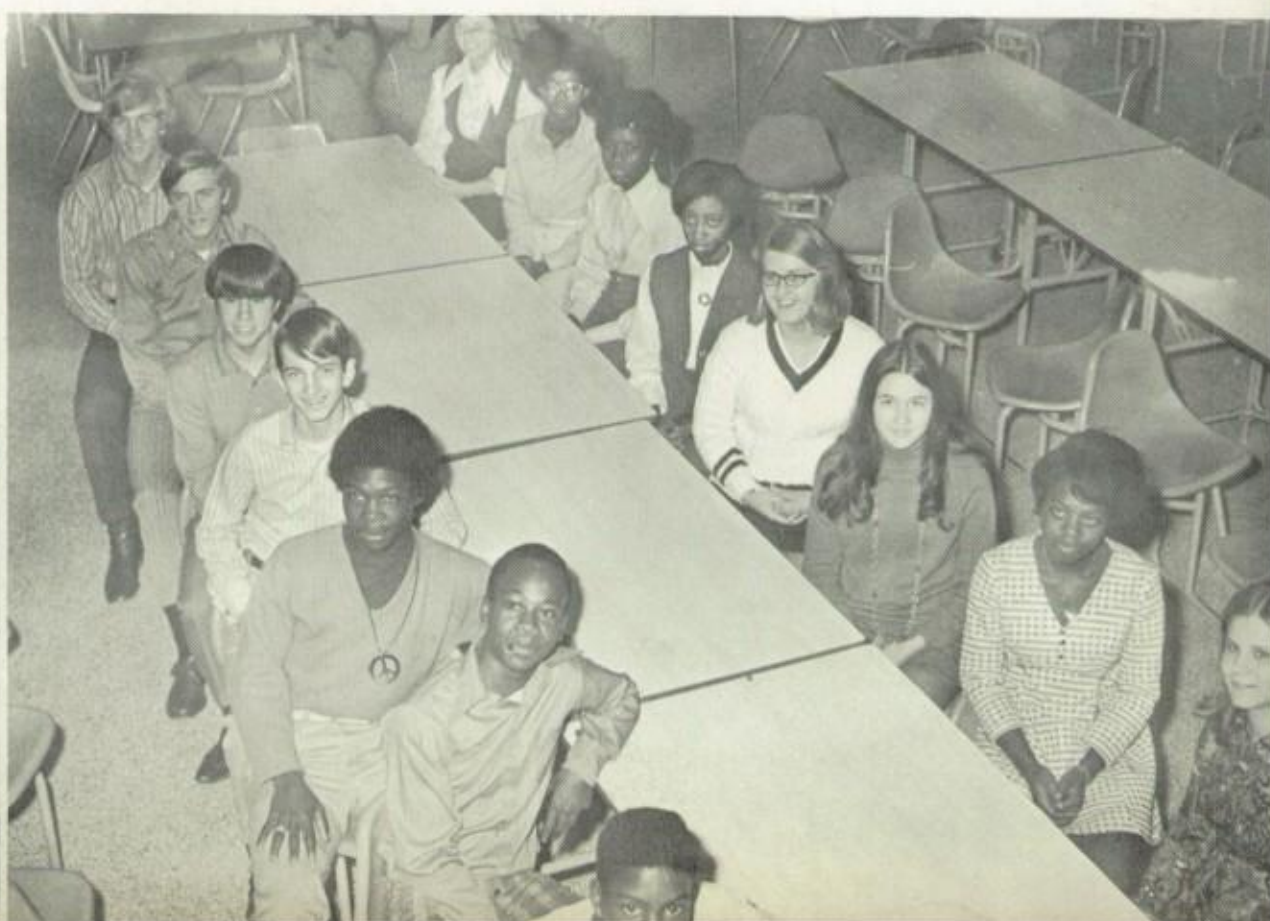

Besides sponsoring open dances for the first time, the Council guided the student body on the selection of a new dress code. The Council also chartered student buses to the away basketball games.

The Advisory Council was again in operation this year, as they helped the Council in all projects such as Freshman Orientation Day and school dances.

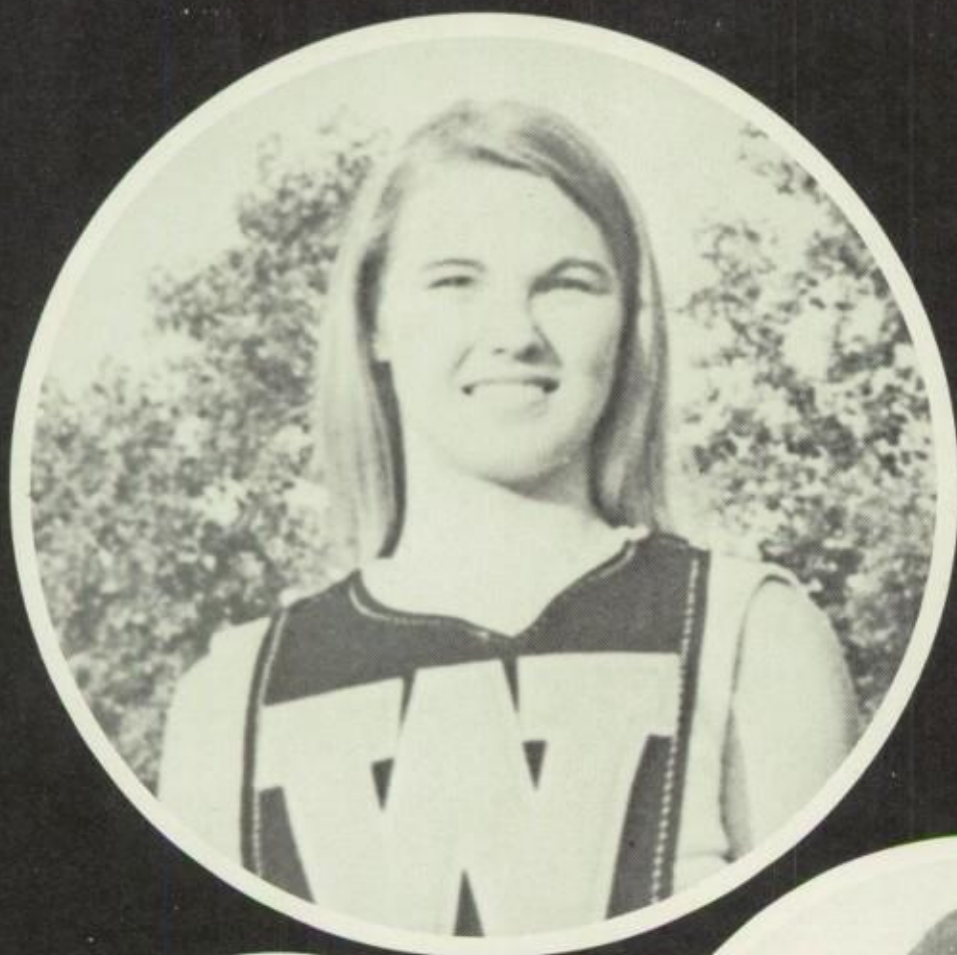

Also included in this year's activities was the attendance of the North Carolina State Student Council Convention in Asheville and special Council clinics at A. L. Brown and Central Cabarrus High Schools.

Seventy-five new members inducted into the National Thespian Society have delightfully entertained Northwest's student body and the community throughout the year. In the fall, the drama classes presented "pantomime" acts for the student body, and studied speech and voice. They performed Christmas skits for local nursing homes, Cabarrus Memorial Hospital, local elementary schools, and at centers for special atypical children. The "Miss Northwest Cabarrus Pageant" was a big project for the Thespians during the month of January.

Beta Club Officers: Tim Tucker, President; Johnna Galloway, Secretary-Treasurer; Renda Lee, Vice-President; Lynda Richardson, Reporter.

With the unique qualities of good character, leadership and academic achievement, the members of the Beta Club worked together striving to make Northwest a better school.

To attend the April Beta Club Convention in Asheville, the Senior members sold candy in the fall and late winter. Induction for the new members was held in March. Each new member was given a rosebud and a pin at the induction. For eligibility into the Beta Club students must maintain a 92 or better average throughout their high school years.

Andy Foster, Outstanding Sophomore of 1969-70, was awarded the golden cup given to a sophomore each year for outstanding character, leadership, and ability.

This year's Beta Club was sponsored by Miss Terry Yelton.

This year's "Marching Trojans", 100 strong, added greatly to the fulfillment of a wonderful football season. Performing majestically at away games, the Northwest Cabarrus High School Band has proven that it is the best band in our area. A trip to Chapel Hill, N. C., highlighted the year, as our band performed at UNC-CH band day. An exciting flavor was added to our band as color guard members, majorettes and lettergirls led it through two Christmas parades. Initiating the concert season was the annual Christmas concert.

The Pep Band, consisting of 15 dedicated boys performed at J.V. football games, basketball games, and led Trojan spirit at pep rallies. All-State Band, contest, and a spring concert exemplified the quality musicians contained in our band — one Northwest can proudly boast of.

Northwest's Chorus

This year, as in the past, the Northwest Cabarrus Concert Choir blended ability, practice, and individual effort to reach its goal of contest excellence.

The 75 member choir gave numerous performances for religious and civic organizations as well as concerts for the student body. Each member of the choir found that dedication to music and long hours of practice were the keys to success.

Profits from their stationery sale enabled them to buy new risers and rhythm instruments to complete

their performances.

Under the direction of Mr. Richard Keasler, the choir gave its usual superb performance at this year's State Choral Festival held at Queen's College in Charlotte.

Attendance at several musical workshops rounded out the year's activities.

Monogram Club

The Northwest Cabarrus Monogram Club is a very active group. It consists of athletes who have lettered in a varsity sport and cheerleaders who have been active for two seasons. At the beginning of the year, the members sold the "Big Orange Country" stickers and the NW cushions. During basketball season the members sold concessions at the Varsity and Junior Varsity games. This hard-working group of Northwesterners definitely deserve praise from the student body.

Kay Baucom — a hardworking chief.

Creating and leading the spirit of the student body is the big job handed to our nine squad members.

Led by Chief, Kay Baucom, and assistant chief, Judy Taylor, the girls performed routines and yells at games, skits at pep rallies, and honored all athletes with admiration and praise.

The cheerleaders attended Camp Pla-Mor at Windy Hill Beach, S. C. during the week of August 9-15, 1970. They sponsored the Sadie Hawkins Dance and the Homecoming Dance, which were both very successful.

Much appreciation is extended to our varsity cheerleaders for the school spirit they have displayed.

Judy Taylor — a pleasant assistant chief.

ATHLETICS

Through the triumph of victory, the agony of defeat, the spirit of the crowds, and the pain of injury, we are united for Northwest in all our athletic endeavors. Achievement and recognition are gained through earnest teamwork at both practices and games. Each individual athlete must strive for victory in order to produce a winning team, for a team is no stronger than its weakest player.

Whether the most praised player on the team or the least hailed, each single player is an integral part of the unit.

Along with the team effort, athletics also provides for individual recognition. Many exceptionally talented athletes received special honors through All-Conference awards and respect from their teammates and fellow students.

In all aspects of Northwest athletics; football, basketball, baseball, and track, we must each strive for perfection in order to earn the ultimate goal — victory.

VARSITY FOOTBALL

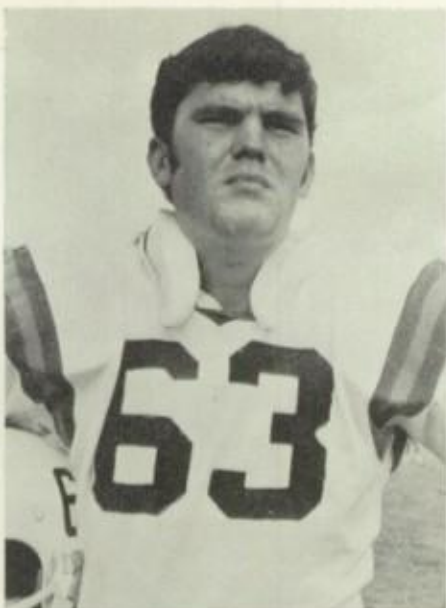

The 1970-71 Trojan football team started the season again with a new coach and a newly-found desire for revenge.

Workouts, under the strict supervision of Coach Arden Ray, Doug Turner, Dennis Shinn, Robert Angley and Robert Kluttz, began as usual, early in August. Even then, there was a fighting, victorious spirit building in the Trojan gridders.

On August 29, the Trojans exhibited outstanding teamwork to capture one of their most impressive victories of the season by defeating the Little Wonders from A.L. Brown. They continued their expert play the following week as they rolled over the Forest Hills Yellow Jackets. In the next game, Northwest suffered its first setback, being defeated by Monroe. Following this loss the Trojan gridders came back to gain spirited victories over both Mount Pleasant and Piedmont. Plagued with penalties and fumbles, Northwest received its second defeat from Central Cabarrus. Again, the Trojan gridders made a great comeback as they gained two successive victories from West Stanly and Sun Valley. Then the Trojans lost to the Concord Spiders in a non-conference clash. To wrap up the season, Northwest won its final contest against the Parkwood Rebels. This victory gave our gridders an overall record of 7-3 for the season.

The 1970-71 **Dynamis** staff salutes the Big Orange Machine for its fine performance.

Trojans Overpower Jackets

The Trojans of Northwest received their second straight victory in their game against Forest Hills. The Yellow Jackets, unable to score on the stellar defense of Northwest, were defeated by a score of 14-0. During the first half, Mickey Corl scored the first TD, but the PAT run was stopped short, leaving the score 6-0 at halftime. Northwest's final touchdown came early in the fourth quarter as Corl again ran for the score. Mike Corriher carried the ball across for the two-point conversion to make the final score 14-0.

Trojans Tame Tigers

The Trojans of N.C.H.S. won their third game of the season by taming the Tigers of M.P.H.S. by a score of 32-13.

The Big Orange Machine got rolling early in the game as Mike Corriher scored twice on aeriels from Russ Hartsell and Richard Caldwell.

The Tigers just couldn't get in the ballgame as Jerry Bently blocked a Mount punt and Mike Wike picked it up and raced 50 yards for the last score of the game.

Trojans Surprise Wonders in Opener

The Northwest gridders displayed their most memorable game of the season as they defeated the A.L. Brown Wonders by a score of 8-0. This game proved to be the only victory for a Rocky River Conference team over a South Piedmont Conference team in the history of the conference.

The Trojans' big break came late in the second quarter when Mike Corriher, on somewhat of a freak play, took the ball from the hands of the Wonder quarterback to gallop 25 yards into the end zone for a touchdown. Gary Duskie converged on a two-point attempt to put the Trojans out front.

The rest of the game was sparked by the defensive efforts of both teams with the Big Orange Machine coming out on top at the final sound of the horn.

Trojans Bow to Rebels

The Northwest Trojans were in trouble all during the action as the Monroe Rebels walked off the field with a 36-0 victory.

Tim Litaker and Russ Hartsell combined for 29 yards but the Trojans were offside on the next play and had to punt. After several turnovers, N.C.H.S. had possession of the pigskin at the Monroe 23 at the end of the half.

The Trojans perked up a little in the 2nd half, but were unable to penetrate the tough Monroe defense. This marked the first time in 14 games that the tough Trojan offense had been shut out.

Vikings Spoil Trojans' Hope for Revenge

The members of the Big Orange Machine had their chances for the Rocky River Championship dimmed after a disappointing defeat by Central Cabarrus. During the first half of play, the Northwest Trojans gave up five costly fumbles which accounted for the two Viking touchdowns. At the end of the 3rd quarter the Trojan offensive unit began to click as Tim Litaker charged into the end zone to make the score 12-6. The Trojans threatened to score again in the last minutes of the clash, but they were stopped cold on the one-yard line by the Viking defense, leaving the score at a 12-6 victory for Central.

Trojans Wipe Out Spartans for Homecoming

The Northwest Cabarrus Trojans won their homecoming game by stomping the Spartans 50-0. Seven different players accounted for touchdowns in the tremendous victory. The clash was primarily an offensive one, although Paul Weant intercepted a Spartan pass to score a defensive touchdown. Also getting into the scoring action were: Russ Hartsell, Tim Litaker, Cecil Powers, Doug Kirkman, Richard Caldwell, and Mickey Corl. Correll, Duskie, and Litaker added the extra points.

Trojans Rally Against Panthers

The Northwest Cabarrus Trojans dominated play in the final half to post a come-from-behind 52-22 decision over Piedmont.

The Trojans of Coach Arden Ray had their hands full during the initial two periods, but took charge and finished with a total of 354 yards rushing, while holding the Panthers to only 15 yards rushing. Russ Hartsell was the big ground gainer for Northwest as he picked up 128 yards in 10 carries and was assisted by Mickey Corl and Tim Litaker. Litaker rushed for a pair of touchdowns, while Hartsell and Corl tallied one a piece. Others getting into the scoring act were Cecil Powers, Gary Barnes, and Mike Corriher.

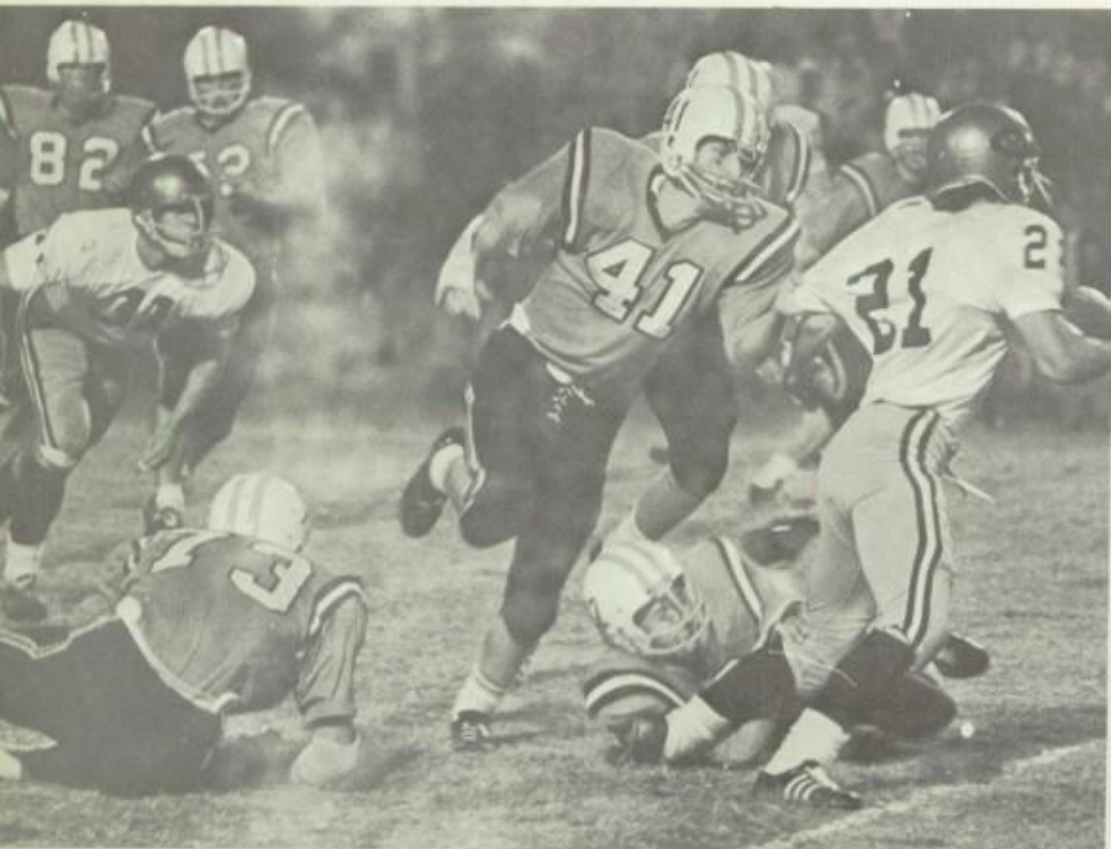

Trojans Defeat Colts

On October 9, 1970, the rolling Orange Machine conquered an humble West Stanly team. The Trojans took charge in the opening minutes and maintained control as they rolled to a stunning 44-12 victory.

The Trojan offense clicked on all cylinders in the conference clash as they picked up 385 total yards, including 312 yards rushing. Sparking the Trojans offense were: Gary Duskie, Russ Hartsell, Mickey Corl, and Tim Litaker. Duskie and Hartsell each scored twice, and Corl and Litaker tallied one a piece. Extra points were added by Litaker and Gary Sheets.

Trojans Win Last

The Northwest gridders rolled to their seventh victory of the season by defeating the Parkwood Rebels 22-10. This win placed the Trojans in second place with a 6-2 over-all record in the conference. Backed by the running of Mickey Corl, the Trojans scored two of their touchdowns. Mike Corriher also got into the scoring act by catching a 21-yard bomb from quarterback Richard Caldwell. Both the offensive and defensive units of Northwest did an outstanding job to end the season.

Trojans Lose to Spiders

The Concord Spiders put together a splendid effort to defeat the Northwest Trojans 34-0. In the first half, Concord had very few problems with the Trojan defense, as they scored five times successively. During the second half, the action was sparked primarily by the Northwest defensive unit as they held the Spiders scoreless. All the Trojan scoring attempts were to no avail.

The Northwest Junior Trojans, coached by Robert Kluttz and Bob Angley, exemplified their strength as they walked off with a 7-2 overall record for the 1970 season. This has been a most impressive season, and these junior players should increase the power of the varsity squad next year.

The Junior Trojans had an outstanding offensive average of 22 points per game. By holding five opponents scoreless, they compiled a defensive average of 2 points per game.

The '70 Junior Trojans had many outstanding players on both offense and defense. Mount Pleasant gave the Trojans their first loss by defeating them 14-6. They suffered their second defeat in the hands of West Stanly with a score of 6-0. The Junior Trojans gained 7 victories from Forest Hills, Monroe, Piedmont, Central, Sun Valley, South Stanly, and Parkwood.

In addition to the pride gained from an exceptional record, these Junior Trojans were rewarded with valuable experience and the development of sportsmanship. Congratulations to our Junior Trojans of 1970.

The coaching responsibility fell in the capable hands of Robert Kluttz and Bob Angley.

The 1971 Ladies of Troy, coached by Bernie Edwards, struggled faithfully throughout the season to live up to the Northwest tradition. Starting the season with quite a bit of difficulty, the Trojanettes maintained an 8-10 record, placing them sixth in the Rocky River Conference.

With a strengthened desire for victory and an overwhelming amount of determination, the Ladies of Troy entered the tournament with a winning attitude. Gaining victories over both Central and Piedmont, the Northwest lassies remained second only to Forest Hills. In a heart-breaker, the Trojanettes bowed to the Yellow Jackets in the tournament finals, 36-31. For their excellent play, the Ladies of Troy were rewarded the Runner-up trophy.

Seeing most of the action on offense for the junior Trojans were Gail Morrison, Ann Coble, Marilyn Pryor, Anita Drye, and Patti Untz. The defense was led by Susan Morris and Ann Christenbury.

Trojans Produce Best Season Yet

The combination of a winning attitude and a new coach provided for a successful season for our Boys' Varsity Basketball team. Under the direction and leadership of Mr. Anglely, the Trojans dedicated many long hours of practice to produce an 8-10 conference record for the season. This placed them fifth in the Rocky River Conference. Although the Trojans were eliminated in the first round of the R.R.C. tournament, they came back to finish second in the District 3-A tournament, bringing home a runners-up trophy.

With only one Senior on the team, Coach Anglely feels that the valuable experience gained by this year's players will be an important advantage for teams in the coming years.

Junior Trojans Improve Winning Season

The Junior Trojans, inspired by their new coach, Robert Kluttz, compiled an 11-6 record for the season. Throughout the season, the J.V. boys depended on the outstanding play of Cecil Powers, Dale Pryor, Tim Brandt, Kirby Patterson, Talmadge Brown, Gary Marshall, Anthony Barnette, and David Love.

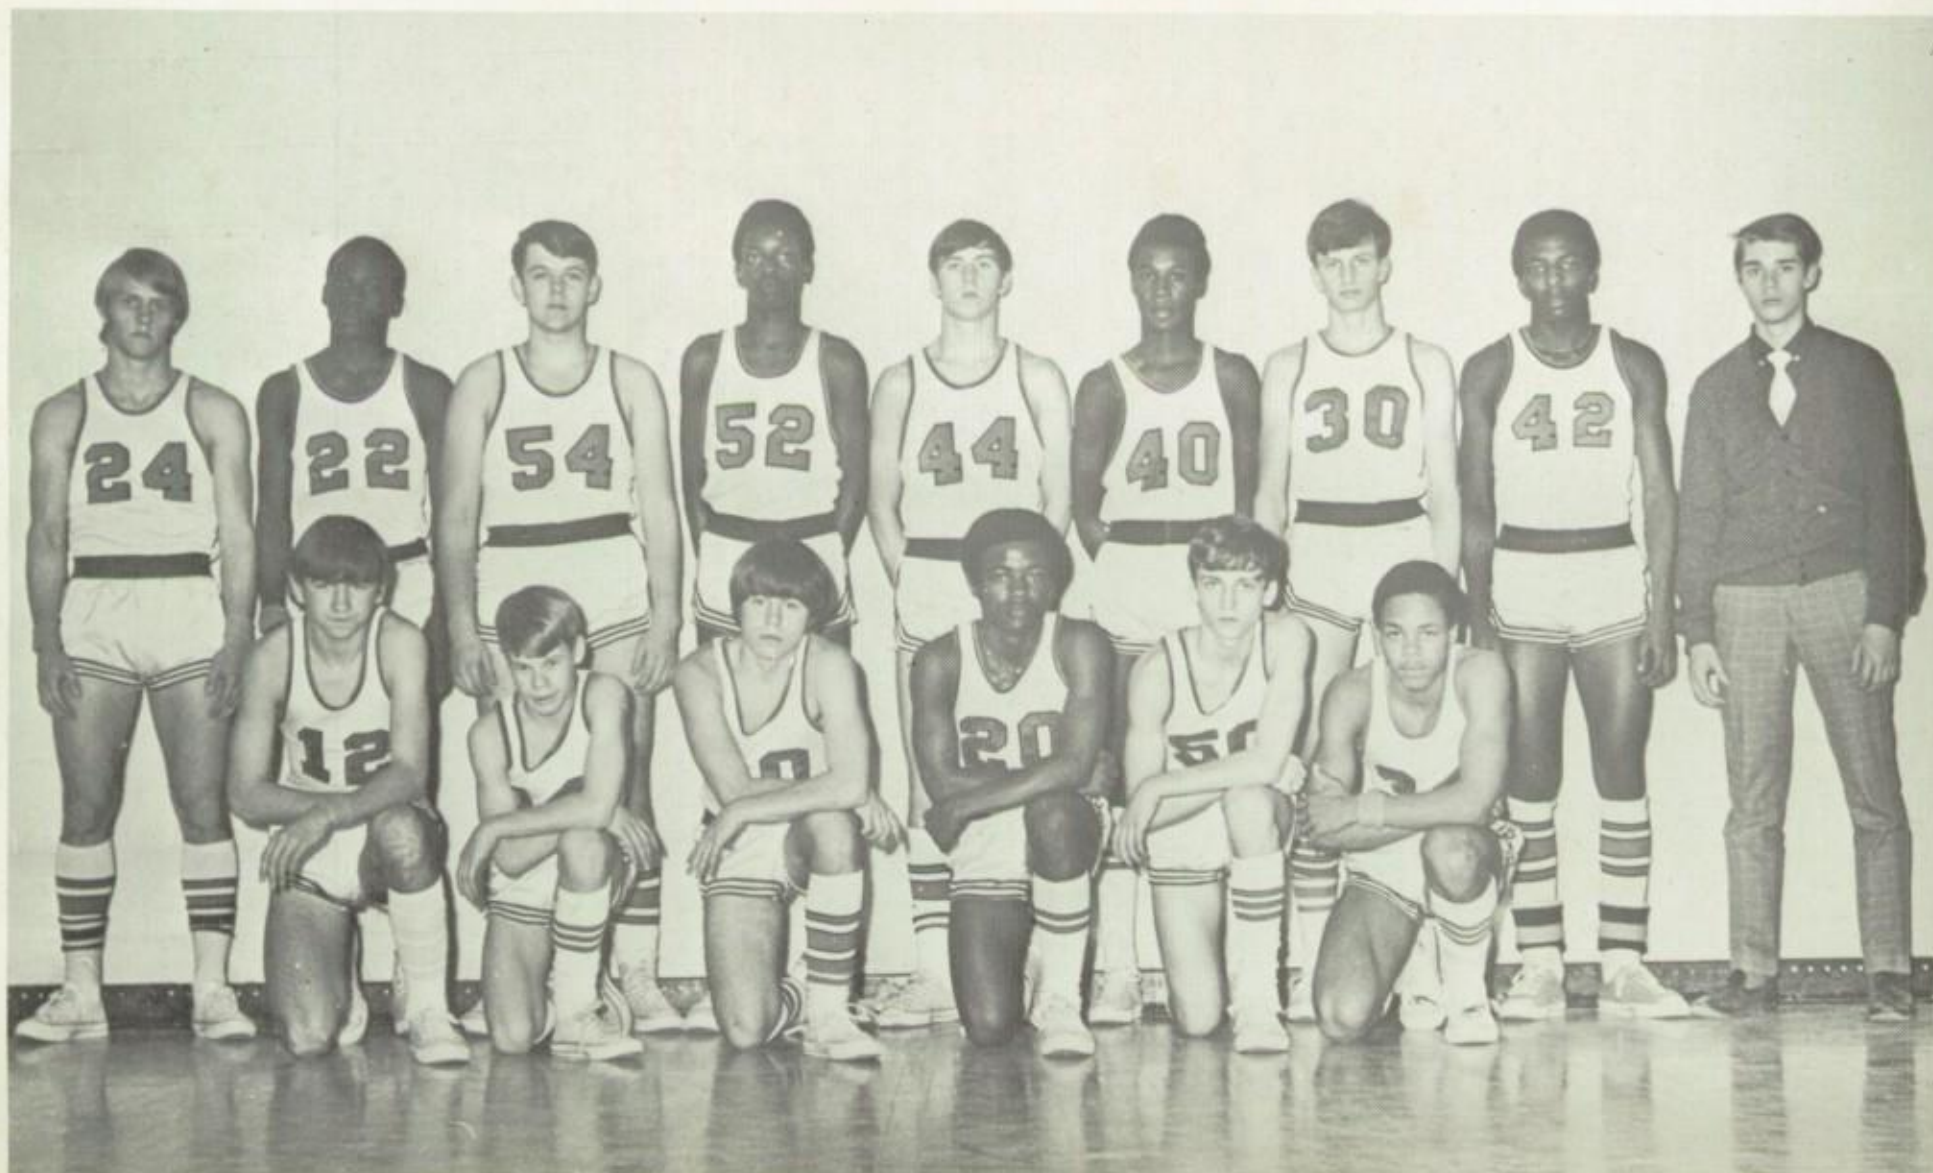

In the Rocky River Conference J.V. Tournament, the Junior Trojans finished second behind Central, earning a runner-up trophy for their superb effort. Gary Marshall, Cecil Powers, and Talmadge Brown were selected for the All-Tournament team.

Head Coach
Bernie Edwards

The Northwest roundballers will be defending their title this season as they produced a 14-5 record to become the Rocky River Conference Champions for the 1970 season. They were edged out of the state playoffs by Laurinburg High School 3 to 0.

With nine lettermen returning, Coach Bernie Edwards along with his assistants, Dennis Shinn and Bob Angley, expect a most successful year. The Trojans opened the season in an exhibition game with North Mecklenburg on March 9. Regular season play began March 23.

The Dynamis Staff would also like to praise the Freshman team under the supervision of Bob Angley. With the combined efforts of both prospective teams, Northwest can expect a rewarding season.

FACULTY and ADMINISTRATION

Through general guidance and personal counsel, our faculty and administration have inspired both individuality and unity at Northwest. Each faculty member dedicates himself to each student in order to instill him with knowledge and to arouse his unique sense of expression.

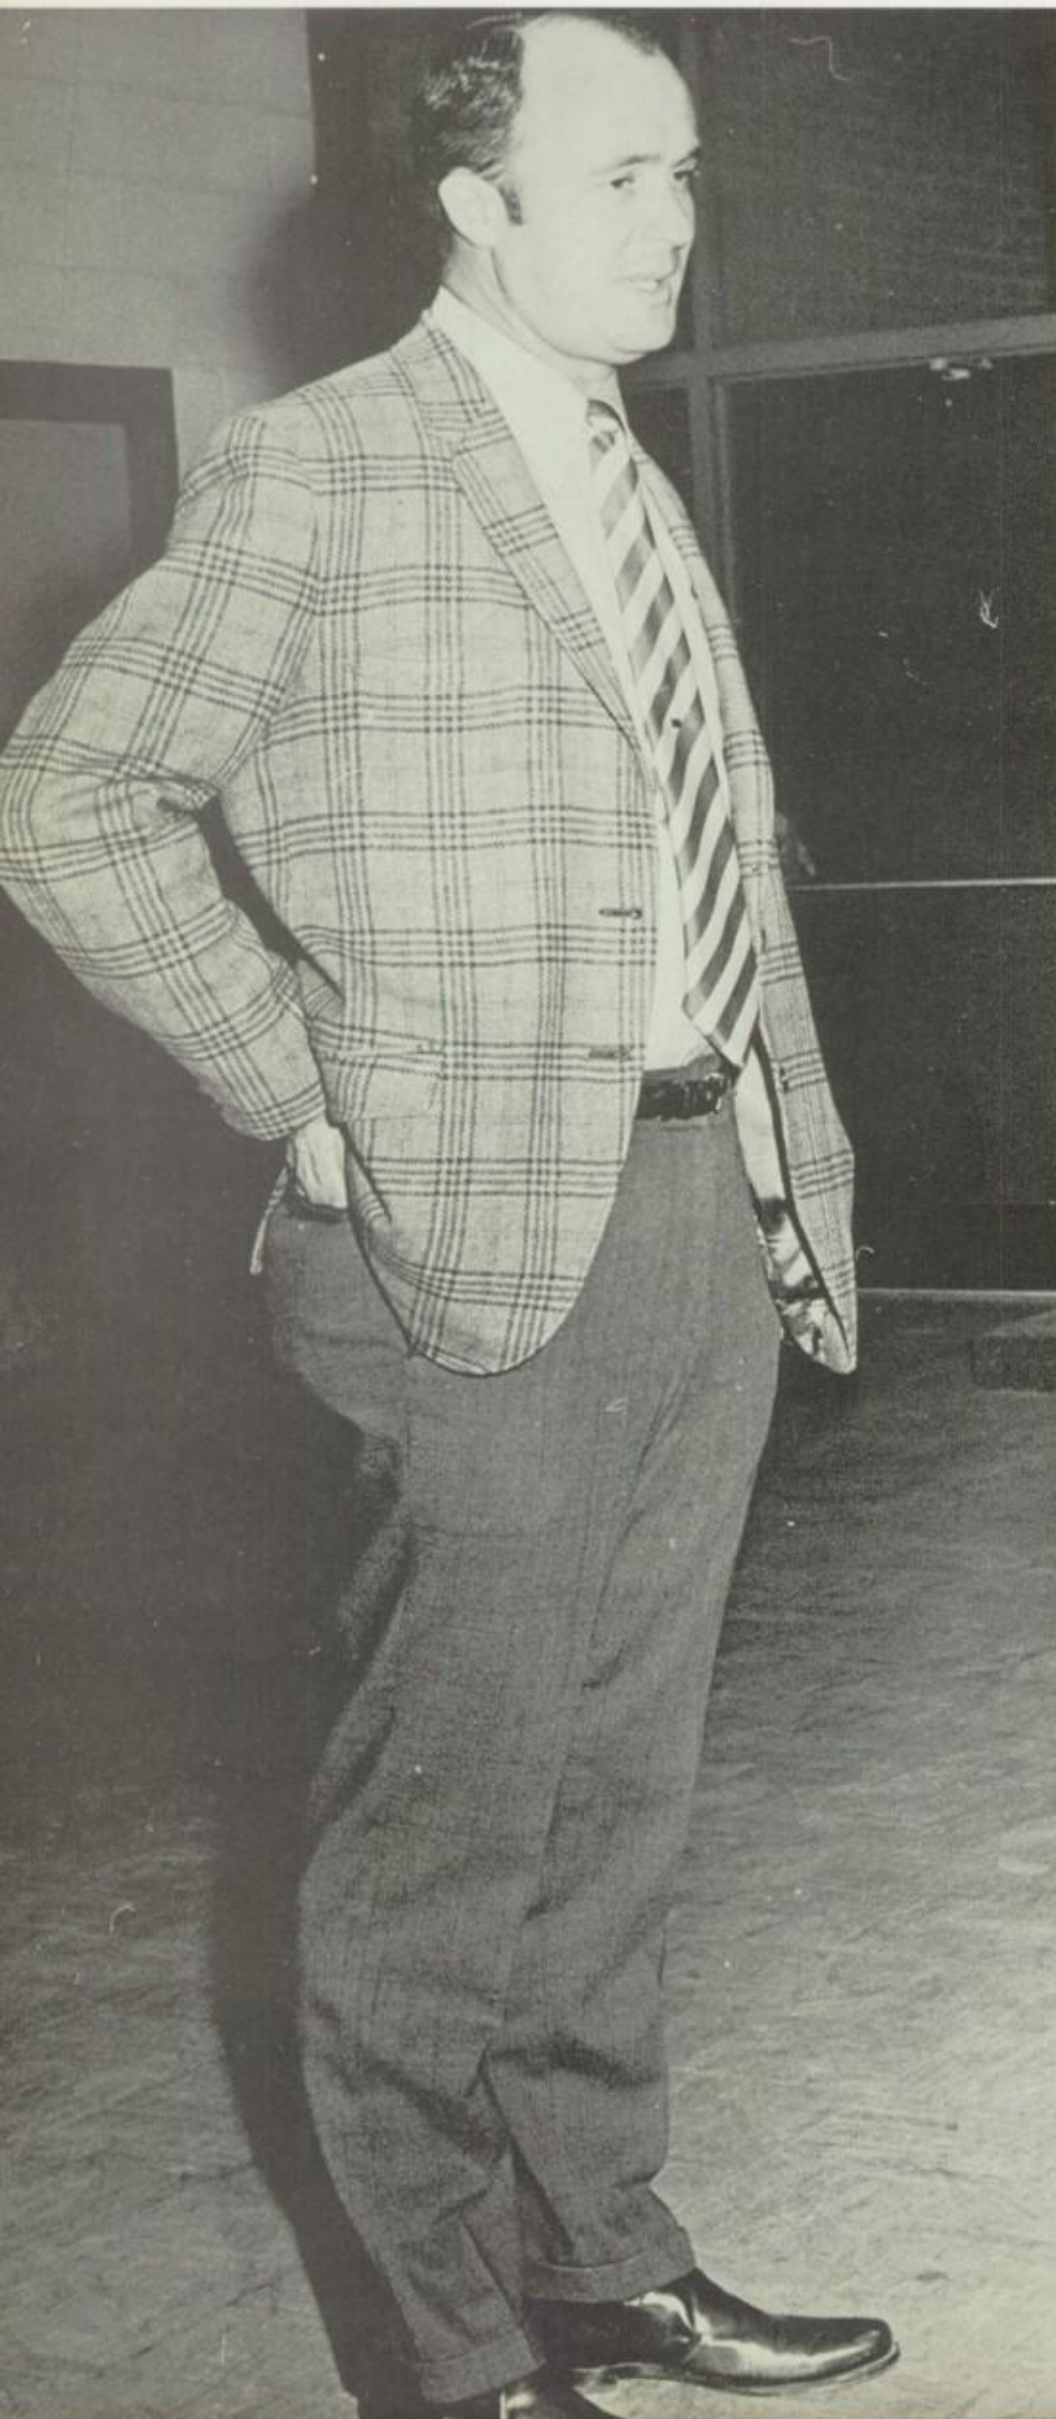

Through their advice, instructions, and encouragement we are able to form our own opinions and express them intelligently.

The Northwest teachers also donate their time and efforts to the school by sponsoring our clubs and dances, and by supporting our athletic teams. They deserve both our praise and admiration for their undying interest in Northwest and her student body.

Administration Guides Northwest

"From all his worthy qualities it would be a task to pick the best."

Under the direction of Mr. Robert Garmon and Mr. Bernie Edwards, the 1970-71 school year proceeded efficiently and smoothly. Both of these men put forth enthusiastic effort to promote scholastic as well as extra-curricular activities.

Mr. Garmon fulfilled his position as principal with both integrity and pride. His primary aims were devoted to the benefit of the whole student body. Combined with his duties of assistant principal, Mr. Edwards also taught P.E. and coached both the girls' varsity basketball team and the varsity baseball team. Mrs. Marlene Beaver, school secretary, completed Northwest's administrative staff. Her busy schedule included taking care of the school's finances and reports, and assisting teachers with the copy machines and supplies.

This efficient administrative staff enabled Northwest to operate effectively throughout the year.

Guidance Department Northwest

The Guidance Department of Northwest offered both understanding and individual guidance to its student body. Information was made available to the students as they were given the opportunity to plan for their futures in various vocational fields or colleges. This department also aided in reducing everyday problems by lessening stress and producing a better and more immediate learning atmosphere.

This year the Guidance Department increased its staff with the addition of Miss Betty Presson and Mrs. Janet Byrd. This proved to be an advantage for Northwest students as it gave more time for individual counseling. Mrs. Jane Smith was able to devote more time with the Juniors and Seniors, while Miss Presson worked with the Freshmen and Sophomores. Mrs. Byrd assumed the secretarial duties of the department. Along with these responsibilities, the guidance staff also administered tests and supervised such activities as Career Week.

With their patience and respect for the students, these leaders helped to make another year more meaningful and worthwhile to all students.

"Ask of me what you will, I shall do my best."

The Guidance Department includes: Mrs. Janet Byrd, Mrs. Jane Smith, Miss Betty Presson.

English Contributes to the Complex Art of Communication

English is a vast and essential course of study which familiarizes students with the ever-present need of communication. Students are instilled with the desire to express themselves and thus display their creativity and individuality. Whether in the study of basic grammar or in the interpretation of various forms of literature, Northwest students are enabled to exemplify their originality and ideas.

Delving deeply into the study of English not only prepares students academically for life, but it also allows them to discover themselves through unbiased introspection. The English Department of Northwest endeavors to offer all these opportunities to its students.

D.E. and I.C.T. Provide On-the-Job Training

Northwest students interested in vocational education may take Distributive Education, Industrial Cooperative Training, or Introduction to Vocations. These vocational educational courses help prepare those students who hope to go into careers in some field of distribution, marketing, services or industry.

D.E. and I.C.T. students receive classroom instruction as well as on-the-job training concerning economics, sales promotion, career planning and business organization.

I.V. students learn about the various career fields which one may enter upon completion of education.

Juniors and Seniors are eligible to take D.E. and I.C.T., while any interested person may take I.V.

Northwest has developed its vocational training by offering courses in mechanics, electronics, agriculture, and masonry. An introductory course to vocations is also taught. Through this class, students explore clerical, managerial, service, and sales occupations in classroom instructions and working experience.

The Mechanics class strives to familiarize its students with the general anatomy of a car. Electronics students gain valuable knowledge by experimenting with electrical appliances and devices. Agricultural courses instruct students in soil conservation, crop and livestock raising, welding, and the manipulation and repair of farm equipment. Masonry study involves the development of bricklaying skills and other practical construction skills.

Through these courses, Northwest's students are taught industry from the standpoint of theory and practical application.

Danny Heggins demonstrates the skills of bricklaying.

Physical Education — an Important Development of the Individual

The Physical Education department works hard to teach students the fundamentals of physical education. Physical Education is required of all freshmen. A course in health is also alternated with the Physical Education.

Students learn organization and good sportsmanship in their daily lives as well as in sports. Advanced courses of Physical Education are offered to students who have completed the freshman course. More difficult activities and stunts are tackled by the advanced physical education students.

Cafeteria and Custodial Staffs Serve Northwest

Making sure that every student at Northwest is provided with a well-balanced and nourishing meal every day is the job of Mrs. Sybil Barnhardt and her staff. It is a difficult task which our cafeteria staff accomplishes quite well.

Our custodial staff spends much time and energy keeping our school clean and attractive. Many thanks go to Mr. Coy Smith, Mrs. Laura Smith, and Mr. Ross Alexander for a job well-done.

Mrs. Laura Smith, Mr. Coy Smith, and Mr. Ross Alexander.

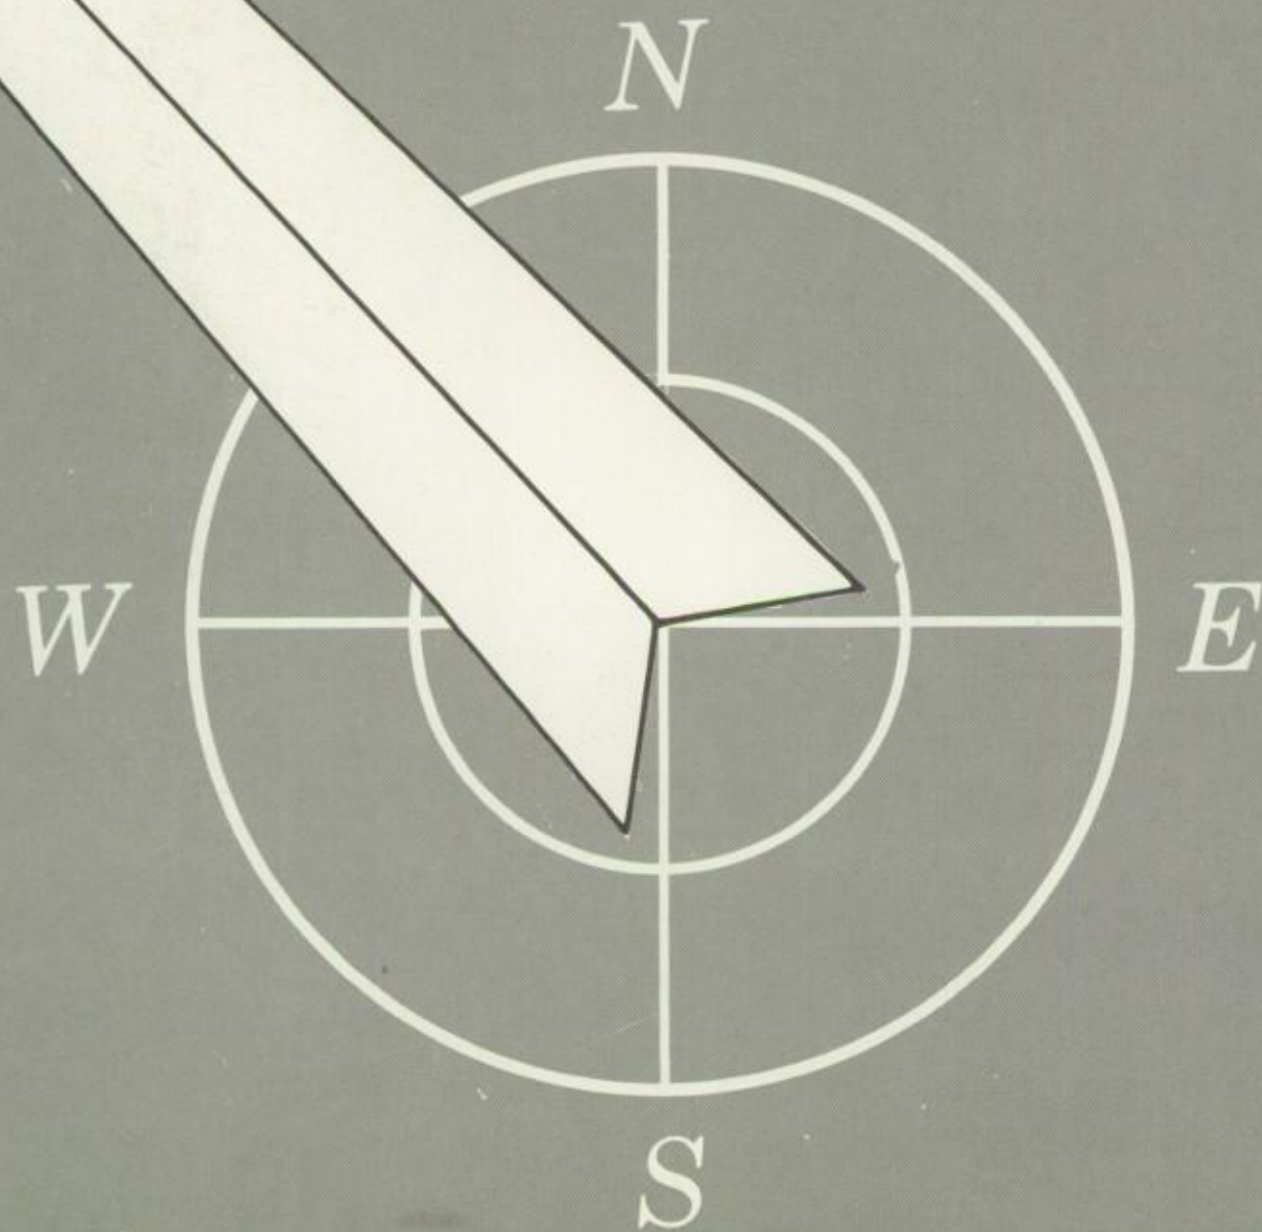

ADVERTISEMENTS

Without the support and patronization of these advertisers, we would be unable to function efficiently as "one" or as "many". Through their active co-operation and interest in the DYNAMIS, these patrons have expressed their confidence in today's youth.

They have set an admirable example in understanding which we hope to follow in the future. These businessmen have given us the opportunity to preserve our memories of the closing year.

To the businessmen of the Concord-Kannapolis area, who have given us their wholehearted support, we, the Northwest student body and faculty, express our deepest gratitude.

I don't think my teacher, Miss Othmar, likes me any more . . . She doesn't look at me the way she used to . . . She doesn't even look at me at all.

It's a terrible thing to discover that your teacher doesn't like you any more . . . It's like having a subscription run out.

EPILOGUE

This year, as in the years past, our **Dynamis** staff has strived to make this annual the best yet. Through our ideas and imagination we attempted to capture a portion of the every day lives and events of the people of Northwest. We endeavored to make your **Dynamis** a book which will be a treasure to you in years to come by means of the additions of new features and re-arrangement of old. With the cooperation of Mr. Garmon, the understanding of the faculty, and the support of the student body, we were invested with the determination to make this annual a success.

So to you we present the 1971 **Dynamis** in hopes that it will make you somewhat prouder of your school and the part that you play in it.

It is my pleasure to recognize those who have played important parts in the creation of this annual and to give them thanks.

— to the 1971 **Dynamis** staff for their dedication, imagination and hard work;

— to Renda Lee, copy editor, Jenny Cook, business manager, Gary Sellers, Tonda Auten, Debbie Holloway, Dawn Gilmore, Doug Kirkman, and Sandra Weatherby, associate editors, for their leadership and bearing of ever present responsibilities;

— to Doug Hathcock, Randy Bratton, and Rick Watts for their excellent work in the darkroom;

— to Rodney Ballard, John Woodard, and Barry McCall for their photography work;

— to our talented artist, Tonda Auten;

— to the Concord **Tribune** for their football pictures;

— to Mrs. Joy Hipp, business advisor, for her guidance, encouragement, and financial consultation;

— and to Miss Carolyn Plummer, advisor, I give my heartfelt thanks for her never-dying enthusiasm, cheerful smile, wisdom, and love for the **Dynamis** and its staff.

Because we are one.
